25X1 1. [ ] LIAISON Received a call from Ed Schallert, in the office of Representative Les Aspin (D., Wis.), asking when the study on Soviet civil defense would be completed. (This is the second such call from Schallert.) I told him we hope to have an unclassified version shortly and I would see that he got one. He said the Congressman probably would want a briefing on Soviet civil defense and I said I could see no problem with providing it at some point in the future.

25X1 3. [ ] LIAISON Called the office of Elliot Maxwell, Senate Select Committee on Intelligence, to confirm his appearance before the Senior Seminar at 3:30 on 11 November.

25X1 4. [ ] LIAISON I arranged for Martin Gold, Senate Select Committee staff, to visit the Operations Center and read a National Intelligence Estimate on Panama.
